

Reap the benefits of Mentorship

You need to look up to someone to model them in order to be taught. You stand to gain the secrets, knowledge and experience they possess. You need a mentor for every important aspect of your life specifically

- Marriage
- Money
- Spiritual/ Ministry
- Parenting
- Business
- Community leader

As an empowerment coach I am a life model to people for many aspects of their life. Therefore it is okay to repeat the name of your mentor(s). They should be so effective and connected to your destiny that they model a number of aspects of your life. Use the blanks below to write in the names of your life models. As you identify and recognize the role they play in your life clarity will begin to flood you and overtake you!
